## 01 / DEFINE THE DECISION

# Austin Move Calendar: 60 / 30 / 7 / Arrival

A task-owner calendar for dependencies and confirmations. Keep passwords, account numbers and identity documents elsewhere.

**Date / visit window****Move anchor dates**

Record the expected access and move dates, what is confirmed and what remains conditional.

**60-day decisions**

Assign owners for address research, provider identification and building-access questions, with target dates.

**30-day service requests**

List each provider, requested start or transfer date, confirmation status and follow-up owner.

**Official agency tasks**

Record the current TxDMV/DPS source, applicable deadline and appointment or document task; omit identity numbers.

Fill digitally or print. Keep passwords, identity numbers and account details elsewhere.

## 02 / INVESTIGATE THE TRADEOFFS

# From idea to evidence.

Use dates, exact addresses and observed conditions. A missing answer is a useful follow-up, not a reason to guess.

## Mail and direct updates

Separate the USPS request from the organizations you need to notify directly; mark confirmations.

## 7-day reconfirmation

Check mover arrival, keys, unit entrance, unloading instructions, utility confirmations and first-night essentials.

## Arrival checks

Record actual access and service status, any discrepancy and the responsible contact for follow-up.

## First-week closeout

List remaining tasks, their owners and next dates, including any official appointments still ahead.

### Keep three things separate

What you saw / What a dated source says / What still needs confirmation

**03 / CHECK, CITE & MOVE FORWARD**

# Bring a better brief.

Complete the checks that apply, keep the sources you used, and turn the open questions into a specific next step.

- ☐ Assign a task owner and target date to each dependency.
- ☐ Verify the exact address and responsible service providers.
- ☐ Track requested service dates separately from confirmed dates.
- ☐ Read current TxDMV and DPS instructions for your circumstances.
- ☐ Confirm building access, unloading and arrival arrangements.
- ☐ Handle USPS forwarding and direct account updates separately.
- ☐ Review unresolved tasks after arrival without sharing sensitive account details.
